

# LA GRANDE APARTMENTS – BROADBEACH ANNOUNCES UPGRADES

COMMENCING MAY 1<sup>ST</sup> 2010

To further improve and upgrade customer facilities, La Grande apartments – Broadbeach wishes to announce the commencement of an exciting and innovative refurbishment of the exterior of the complex.

Over the next three months the entire exterior of the building will receive a complete face lift...including the replacement of all guttering, roof top facers, and downpipes. The upgrades will also include a complete new coat of paint.

To maintain the complex's Mediterranean design, the colour scheme will not change dramatically from its current appearance, using neutral two tone soft beige colouring.

As the complex consists of four separate towers, inconvenience will be minimized as each tower will be close to completion before moving onto the next.

Guests staying at the complex during this time will be able to take advantage of a number of different specials aimed to minimize any inconvenience caused.

Receive **up to 20%** off the normal door rates when booking direct by phone or email, or just ask about the Stay Pay specials, where you stay six nights and receive two additional nights FREE.

- All specials are available when booking direct by phone or email
- Valid from **May 1<sup>st</sup>** till **August 15<sup>th</sup>** 2010.
